Artist Endowment Fund

The purpose of this investment fund is to yield earnings to be used for the enumeration of RTF artistic volunteers (actors, directors, designers, musicians, production crew). It is intended to help meet out-of-pocket expenses associated with volunteerism. Artistic volunteers receive uniform, nominal honorariums per level established by the RTF Producing Director.

Special Projects Fund

The purpose of this fund is for special expenses in support of RTF play productions. Emphasis is on a one-time or specific unique support in artistic, production or administrative areas that would favorably impact RTF productions.
